

Complaints Policy

Introduction

New Anglia LEP takes complaints very seriously and whilst we try to provide a good service, we know that sometimes things go wrong. A complaints procedure has been developed in response to this.

Policy Aims

The aims of this policy are to:

- provide a means for members of the public/third parties to express legitimate concerns and have them addressed
- ensure that issues are resolved quickly and satisfactorily in order to protect the users of our services.

We aim to sort out complaints quickly and fairly and we will try to sort out any mistake or misunderstanding straight away. Sometimes it may take longer, but we will let you know how long it will take.

Employees should refer to the Whistle Blowing Policy.

Definition of a Complaint

A complaint is an expression of dissatisfaction, however made, about the standard of service, action or lack of action by New Anglia LEP, its staff, or directors which affects an individual, a company or organisation.

This policy also covers concerns which are in the public interest and could include:

- financial malpractice or impropriety or fraud
- failure to comply with a legal obligation or statutes
- dangers to health & safety or the environment
- criminal activity
- improper conduct or unethical behaviour
- attempts to conceal any of these.

What we learn from complaints

We keep records of all the complaints we receive and monitor them regularly. This helps us to:

- identify areas of service where we need to make changes and improvements
- make sure we are dealing with complaints effectively and consistently.

Procedures (Stage one)

The people who can best deal with a complaint are those you have been dealing with. You should speak or write to the member of the team and explain the reasons you are unhappy. We will acknowledge your complaint in three working days and we can usually sort out mistakes and misunderstandings quickly and informally at this stage.

The LEP will respond to concerns raised by an individual who must not forget that testing out concerns is not the same as either accepting or rejecting them. Where appropriate, the matters raised may:

- be investigated by management or through the disciplinary process
- be referred to the police
- be referred to the external auditor and/or
- form the subject of an independent inquiry.

In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle that the LEP will have in mind is the public interest. Concerns or allegations that fall within the scope of specific procedures (for example, discrimination issues) will normally be referred for consideration under those procedures.

Usually within 10 working days of a concern being raised, the responsible person will write to the complainant:

- acknowledging that the concern has been received
- indicating how the LEP proposes to deal with the matter
- giving an estimate of how long it will take to provide a final response
- telling them whether any initial enquiries have been made
- supplying them with information about staff support mechanisms and
- telling them whether further investigations will take place and if not, why not.

The amount of contact between the person considering the issues and the complainant will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, the LEP will seek further information from the complainant.

When the matter is resolved, all those involved in the issue should be informed of the outcome. In any case, the matter will be dealt with promptly and confidentially. Immediate steps should be taken to remedy the situation and a final solution should be reached within 28 days.

If no further correspondence is received from the complainant within 7 calendar days of the response being issued, or if the complainant responds confirming acceptance of the initial outcome, the complaint will be closed as resolved.

Appeal (Stage two)

If you are unhappy with the way your complaint was dealt with, or the outcome that was delivered, please contact our Chief Executive Officer, Chris Starkie, at: chris.starkie@newanglia.org.uk and/or our Chairman, Doug Field at: dfield@eastofengland.coop.

It is best to let the Chief Executive Officer and/or Chairman know which parts of our response you are unhappy with. We will investigate your complaint and the Chief Executive Officer or Chairman will respond to you within 30 calendar days. An investigation may take longer than this, but if it does we will explain the reasons why and let you know when you can expect a full reply.

In our response to your stage two complaint, we will provide contact details for our ministerial sponsor. You will need to contact them if you are not happy with our response.

Stage three

If you're still dissatisfied, you can contact the Government department responsible for LEPs who is independent of the service you are complaining about and they can carry out a full review of your complaint. It will help the investigation if you explain why you are not satisfied and what you expect from a further review.

At this stage the response and outcome will be final.

Anonymous Allegations

Concerns expressed anonymously are much less powerful but they may be considered at the discretion of the LEP. In exercising this discretion the factors to be taken into account would include:

- the seriousness of the issue raised
- the credibility of the concern, and
- the likelihood of confirming the allegation from other sources

Are there any occasions when we can't help / investigate your complaint?

Unfortunately we cannot investigate your complaint if it is something you knew about more than 12 months before contacting us for the first time. However, we may make an exception in some circumstances.

The above process covers the general complaints procedure for New Anglia LEP. Complaints in relation to specific funding programmes which you may be involved in will, generally, follow the same process as outlined above. However, there may be some differences to this procedure, including the relevant evaluation panel reviewing your complaint and in these cases, if there are differences to the above procedure, the appropriate process for complaints will be notified in the relevant guidance document for the funding stream to which you are applying.

Complaints or enquiries in relation to New Anglia LEPs Accountable Body (Suffolk County Council) will need to follow standard Council procedures. This will include enquiries such as Freedom of Information Requests. Further details on Suffolk County Council's policies can be found at: www.suffolk.gov.uk.

New Anglia LEP's Board of Directors, Members and Corporate Governance framework adhere to the Articles of Association of New Anglia Local Enterprise Partnership. The Company's Articles of Association are available at: <http://www.newanglia.co.uk/wp-content/uploads/2014/01/Articles-of-Association.pdf>.

Any enquiry or complaint in relation to the conduct of Directors, Members or associated Governance processes (such as LEP Panels or Panel Members) should be directed to: Chris Starkie, Chief Executive Officer at: chris.starkie@newanglia.co.uk.
