

New Anglia LEP is a unique business-led collaboration, working with businesses, education and local authority partners to increase productivity and support inclusive growth across Norfolk and Suffolk.

## **INVESTMENT APPRAISAL COMMITTEE MEMBER (Non-remunerated)**

The Investment Appraisal Committee is an important Sub-Committee of the main LEP board.

It ensures that the LEP delivers its allocated funding appropriately and in accordance with the Assurance Framework agreed with Government and that investments support the delivery of the Economic Strategy.

The committee considers applications for grant or loan funding across a range of LEP programmes.

To complement our existing committee members the IAC seeks an additional private sector member to strengthen the expertise of the committee, particularly when reviewing complex investment opportunities with a range of factors to be considered, including risk, security and return on investment.

You should be a senior business leader and have expertise in funding, investment and due diligence.

The LEP is an inclusive organisation and recognises the importance of diversity and female representation on its board. We welcome applications from candidates from all sectors of society.

For further information on the role please contact LEP Head of Programmes, Chris Dashper [chris.dashper@newanglia.co.uk](mailto:chris.dashper@newanglia.co.uk)

Applicants should submit a covering letter and CV to [Info@newanglia.co.uk](mailto:Info@newanglia.co.uk)

Closing date is 22<sup>nd</sup> February 2019
