- **What subjects did you study?** Business and finance, Textiles, AAT level 2, Russian, Polish
- **How many jobs have you had, and can you name them?** 4; Housekeeping, waitressing and working on the bar, babysitting and Marsh.
- **What school subjects link to your career?** Maths
- **A typical day in your current role looks like:** Coming into work early, reading emails, filing emails away and then auctioning any queries and emails that need assistance, answer a few phone calls and then finish the day at 5pm.
- **What skills do you use daily, that you learnt at school?** Maths, how to read and write.
- **What is the number #1 piece of advice you've been given that helped you with your career choice?** Choose what makes you happy.
- **Where do you see yourself in 5 years?** Working in London as an insurance broker.
- **What is the average salary for this role?** £32K
- **If you could have done anything differently on your career journey, what would it be?** Not to apply through the apprenticeship route as this did not challenge the student and we all thought it was a waste of time.

## Why do you love your job?

**Meeting new people and interacting with people from different backgrounds. I love learning about oil rigs and the ins and outs of insurance.**
