

# I LOVE MY JOB!

Charlotte Fish , Apprentice Client Adviser, Marsh

- **Where did you go to school?** Reepham High School
- **What path did you take to get to your current position?** High school, sixth form, a year at university then joined Marsh on the apprenticeship scheme October 2018
- **What subjects did you study?** At A Level, French, English Language and Spanish. At University, International Business, Spanish and French
- **How many jobs have you had, and can you name them?** This is my first full time job.
- **What school subjects link to your career?** English and occasionally French and Spanish. Some modules from my International Business course also provided some fundamental understandings.
- **A typical day in your current role looks like:** Tending to client needs, processing invoices, assisting with other colleagues on various accounts, WIP calls and meetings
- **What skills do you use daily, that you learnt at school?** All functional skills, i.e. maths, English and IT
- **What is the number #1 piece of advice you've been given that helped you with your career choice?** You are under no obligation to do anything you don't feel is right for you – getting good grades doesn't mean you must continue in education and an apprenticeship doesn't mean you don't have the opportunity to continue learning.
- **Where do you see yourself in 5 years?** Potentially still at Marsh
- **What is the average salary for this role?** As an apprentice at present - £14k.
- **If you could have done anything differently on your career journey, what would it be?**  
Nothing

## Why do you love your job?

I enjoy the department I am in and have been fortunate enough to have been placed on accounts with some great colleagues who help me constantly. I like having the opportunity to gain so much experience straight out of education with no formal work experience, only part time jobs in cafes, bars etc. My managers are accommodating and understanding. Overall I really enjoy my job, the tasks I'm given and the people I work with.
